*1A- Benedict on Admiralty § 703.201*

**§ 703.201 Deposits of security by insurance carriers.**

The regulations in this subpart require certain insurance carriers to deposit security in the form of indemnity bonds, letters of credit or negotiable securities (chosen at the option of the carrier) of a kind and in an amount determined by the Office, and prescribe the conditions under which deposits must be made. Security deposits secure the payment of compensation and medical benefits when an insurance carrier defaults on any of its obligations under the LHWCA, regardless of the date such obligations arose. They also secure the payment of compensation and medical benefits when a carrier becomes insolvent and such obligations are not otherwise fully secured by a State guaranty fund. Any gap in State guaranty fund coverage will have a direct effect on the amount of security the Office will require a carrier to post. As used in this subpart, the terms "obligations under the Act" and "LHWCA obligations" mean a carrier's liability for compensation payments and medical benefits arising under the Longshore and Harbor Workers' Compensation Act and any of its extensions.

**§ 703.202 Identification of significant gaps in State guaranty fund coverage for LHWCA obligations.**

(a) In determining the amount of a carrier's required security deposit, the Office will consider the extent to which a State guaranty fund secures the insurance carrier's LHWCA obligations in that State. When evaluating State guaranty funds, the Office may consider a number of factors including, but not limited to --

- (1) Limits on weekly benefit amounts;
- (2) Limits on aggregate maximum benefit amounts;
- (3) Time limits on coverage;
- (4) Ocean marine exclusions;
- (5) Employer size and viability provisions; and
- (6) Financial strength of the State guaranty fund itself.

(b) OWCP will identify States without guaranty funds and States with guaranty funds that do not fully and immediately secure LHWCA obligations and will post its findings on the Internet at <http://www.dol.gov/esa/owcp/dlhwc/lstable.htm>. These findings will indicate the extent of any partial or total gap in coverage provided by a State guaranty fund, and they will be open for inspection and comment by all interested parties. If the extent of coverage a particular State guaranty fund provides either cannot be determined or is ambiguous, OWCP will deem one third (33 1/3 percent) of a carrier's LHWCA obligations in that State to be unsecured. OWCP will revise its findings from time to time, in response to substantiated public comments it receives or for any other reasons it considers relevant.

(1) Any carrier seeking an exemption from the security deposit requirements based on its financial standing (See § 703.204(c)(1)) must submit documentation establishing the carrier's current rating and its rating for the immediately preceding year from each insurance rating service designated by the Branch and posted on the Internet at <http://www.dol.gov/esa/owcp/dlhwc/lstable.htm>.

(2) All other carriers, and any carrier whose exemption request under paragraph (a)(1) of this section has been denied, must provide --

(i) A statement of the carrier's outstanding liabilities under the LHWCA or any of its extensions for its LHWCA obligations for each State in which the obligations arise; and

(ii) Any other information the Branch requests to enable it to give the application adequate consideration including, but not limited to, the reports set forth at § 703.212.

(b) If the carrier disagrees with any of OWCP's findings regarding State guaranty funds made under § 703.202(b) as they exist when it submits its application, the carrier may submit a statement of its unsecured obligations based on a different conclusion regarding the extent of coverage afforded by one or more State guaranty funds. The carrier must submit evidence and/or argument with its application sufficient to establish that such conclusion is correct.

(c) The carrier must sign and swear to the application. If the carrier is not an individual, the carrier's duly authorized officer must sign and swear to the application and list his or her official designation. If the carrier is a corporation, the officer must also affix the corporate seal.

(d) At any time after filing an application, the carrier must inform the Branch immediately of any material changes that may have rendered its application incomplete, inaccurate or misleading.

(e) By filing an application, the carrier consents to be bound by and to comply with the regulations and requirements in this part.

LONGSHORE AND HARBOR WORKERS ACT -- REGULATIONS, 20 C.F.R. Parts 701-704

*1A- Benedict on Admiralty § 703.204*

**§ 703.204 Decision on insurance carrier's application; minimum amount of deposit.**

(a) The Branch will issue a decision on the application determining the extent of an insurance carrier's unsecured LHWCA obligations and fixing the amount of security the carrier must deposit to fully secure payment of its unsecured obligations. The Branch will transmit its decision to the applicant in a way it considers appropriate.

(b) The Branch may consider a number of factors in setting the security deposit amount including, but not limited to, the  
--

(1) Financial strength of the carrier as determined by private insurance rating organizations;

(2) Financial strength of the carrier's insureds in the Longshore industry;

(3) Extent to which State guaranty funds secure the carrier's LHWCA obligations in the event the carrier defaults on its obligations or becomes insolvent;

(4) Carrier's longevity in writing LHWCA or other workers' compensation coverage;

(5) Extent of carrier's exposure for LHWCA coverage; and

(6) Carrier's payment history in satisfying its LHWCA obligations.

(c) In setting the security deposit amount, the Branch will follow these criteria:

(1) Carriers who hold the highest rating awarded by each of the three insurance rating services designated by the Branch and posted on the Internet at <http://www.dol.gov/esa/owcp/dlhwc/lstable.htm> for both the current rating year and the immediately preceding year will not be required to deposit security.

(2) Carriers whose LHWCA obligations are fully secured by one or more State guaranty funds, as evaluated by OWCP under § 703.202 of this subpart, will not be required to deposit security.

(3) The Branch will require all carriers not meeting the requirements of paragraphs (c)(1) or (2) of this section to deposit security for their LHWCA obligations not secured by a State guaranty fund, as evaluated by OWCP under § 703.202 of this subpart. For carriers that write only an insignificant or incidental amount of LHWCA insurance, the Branch will require a deposit in an amount determined by the Branch from time to time. For all other carriers, the Branch will require a minimum deposit of one third (33 1/3 percent) of a carrier's outstanding LHWCA obligations not secured by a State guaranty fund, but may require a deposit up to an amount equal to the carrier's total outstanding LHWCA obligations (100 percent) not secured by a State guaranty fund.

(d) If a carrier believes that a lesser deposit would fully secure its LHWCA obligations, the carrier may request a hearing before the Director of the Division of Longshore and Harbor Workers' Compensation (Longshore Director) or the Longshore Director's representative. Requests for hearing must be in writing and sent to the Branch within 10 days of the date of the Branch's decision. The carrier may submit new evidence and/or argument in support of its challenge to the Branch's decision and must provide any additional documentation OWCP requests. The Longshore Director or his representative will notify the carrier of the hearing date within 10 days of receiving the request. The Longshore Director or his representative will issue the final agency decision on the application within 60 days of the hearing date, or, where evidence is submitted after the hearing, within 60 days of the receipt of such evidence, but no later than 180 days after receiving the carrier's request for a hearing.

(a) Execute and file with the Branch an Agreement and Undertaking, in a form prescribed and provided by OWCP, in which the carrier shall agree to --

(1) Deposit with the Branch indemnity bonds or letters of credit in the amount fixed by the Office, or deposit negotiable securities under §§ 703.207 and 703.208 in that amount;

(2) Authorize the Branch, at its discretion, to bring suit under any deposited indemnity bond or to draw upon any deposited letters of credit, as appropriate under the terms of the security instrument, or to collect the interest and principal as they become due on any deposited negotiable securities and to sell or otherwise liquidate such negotiable securities or any part thereof when --

(2) In the form of letters of credit issued by a financial institution satisfactory to the Branch and upon which the Branch may draw; or

(3) By a deposit of negotiable securities with a Federal Reserve Bank or the Treasurer of the United States in compliance with §§ 703.207 and 703.208.

**§ 703.301 Employers who may be authorized as self-insurers.**

The regulations in this subpart set forth procedures for authorizing employers to self-insure the payment of compensation under the Longshore and Harbor Workers' Compensation Act, or its extensions. The Office may authorize any employer to self-insure who, pursuant to the regulations in this part, furnishes to the Office satisfactory proof of its ability to pay compensation directly, and who agrees to immediately cancel any existing insurance policy covering its Longshore obligations (except for excess or catastrophic workers' compensation insurance, See §§ 703.302(a)(6), 703.304(a)(6)) when OWCP approves the employer's application to be self-insured. The regulations require self-insurers to deposit security in the form of an indemnity bond, letters of credit or negotiable securities (at the option of the employer) of a kind and in an amount determined by the Office, and prescribe the conditions under which such deposits shall be made. The term "self-insurer" as used in these regulations means any employer securing the payment of compensation under the LHWCA or its extensions in accordance with the provisions of 33 U.S.C. 932(a)(2) and these regulations.

**§ 703.302 Application for authority to become a self-insurer; how filed; information to be submitted; other requirements.**

(a) Any employer may apply to become an authorized self-insurer. The application must be addressed to the Branch of Financial Management and Insurance (Branch) within OWCP's Division of Longshore and Harbor Workers' Compensation, and be made on a form provided by OWCP. The application must contain --

- (1) A statement of the employer's total payroll for the 12 months before the application date;
- (2) A statement of the average number of employees engaged in employment within the purview of the LHWCA or any of its extensions for the 12 months before the application date;
- (3) A statement of the number of injuries to such employees resulting in disability of more than 7 days' duration, or in death, during each of the 5 years before the application date;
- (4) A certified financial report for each of the three years before the application date;

**§ 703.303 Decision on employer's application.**

(a) The Branch will issue a decision granting or denying the employer's application to be an authorized self-insurer. If the Branch grants the application, the decision will fix the amount of security the employer must deposit. The Branch will transmit its decision to the employer in a way it considers appropriate.

(b) The employer is authorized to self-insure beginning with the date of the Branch's decision. Each grant of authority to self-insure is conditioned, however, upon the employer's execution and filing of an Agreement and Undertaking and deposit of the security fixed in the decision in the form and within the time limits required by § 703.304. In the event the employer fails to comply with the requirements set forth in § 703.304, its authorization to self-insure will be considered never to have been effective, and the employer will be subject to appropriate penalties for failure to secure its LHWCA obligations.

(c) The Branch will require security in the amount it considers necessary to fully secure the employer's LHWCA obligations. When fixing the amount of security, the Branch may consider a number of factors including, but not limited to, the --

(1) Employer's overall financial standing;

(2) Nature of the employer's work;

- (3) Hazard of the work in which the employees are employed;
- (4) Employer's payroll amount for employees engaged in employment within the purview of the Act; and
- (5) Employer's accident record as shown in the application and the Office's records.

(d) If an employer believes that the Branch incorrectly denied its application to self-insure, or that a lesser security deposit would fully secure its LHWCA obligations, the employer may request a hearing before the Director of the Division of Longshore and Harbor Workers' Compensation (Longshore Director) or the Longshore Director's representative. Requests for hearing must be in writing and sent to the Branch within ten days of the date of the Branch's decision. The employer may submit new evidence and/or argument in support of its challenge to the Branch's decision and must provide any additional documentation OWCP requests. The Longshore Director or his representative will notify the employer of the hearing date within 10 days of receiving the request. The Longshore Director or his representative will issue the final agency decision on the application within 60 days of the hearing date, or, where evidence is submitted after the hearing, within 60 days of the receipt of such evidence, but no later than 180 days after receiving the employer's request for a hearing.

Within 45 days of the date on which the employer receives the Branch's decision (or, if the employer requests a hearing, a period set by the Longshore Director or the Longshore Director's representative) granting its application to self-insure and fixing the required security deposit amount (See § 703.303), the employer must:

(a) Execute and file with the Branch an Agreement and Undertaking, in a form prescribed and provided by OWCP, in which the employer shall agree to:

(2) Furnish medical, surgical, hospital, and other attendance, treatment and care as required by the Act;

(3) Deposit with the Branch indemnity bonds or letters of credit in the amount fixed by the Office, or deposit negotiable securities under §§ 703.306 and 703.307 in that amount;

(4) Authorize the Branch, at its discretion, to bring suit under any deposited indemnity bond or to draw upon any deposited letters of credit, as appropriate under the terms of the security instrument, or to collect the interest and principal as they become due on any deposited negotiable securities and to seize and sell or otherwise liquidate such

negotiable securities or any part thereof when the employer:

(i) Defaults on any of its LHWCA obligations;

(ii) Fails to renew any deposited letter of credit or substitute a new letter of credit, indemnity bond or acceptable negotiable securities in its place;

(iii) Fails to renew any deposited negotiable securities at maturity or substitute a letter of credit, indemnity bond or acceptable negotiable securities in their place; or

(6) Obtain and maintain, if required by the Office, excess or catastrophic insurance in amounts to be determined by the Office.

(b) Give security in the amount fixed in the Office's decision:

(1) In the form of an indemnity bond with sureties satisfactory to the Office, and in such form and containing such provisions as the Office may prescribe: Provided, That only surety companies approved by the United States Treasury Department under the laws of the United States and the rules and regulations governing bonding companies may act as sureties on such indemnity bonds (See Department of Treasury's Circular-570);

(2) In the form of letters of credit issued by a financial institution satisfactory to the Branch and upon which the Branch may draw; or,

**§ 703.309 Increase or reduction in the amount of indemnity bond, letters of credit or negotiable securities.**

(a) Whenever the Office considers the principal sum of the indemnity bond or letters of credit filed or the amount of the negotiable securities deposited by a self-insurer insufficient to fully secure the self-insurer's LHWCA obligations, the self-insurer must, upon demand by the Office, deposit additional security in accordance with the regulations in this part in an amount fixed by the Branch. The Branch will issue its decision requiring additional security in accordance with § 703.303, and the procedures set forth at §§ 703.303(d) and 703.304 for requesting a hearing and complying with the Office's decision will apply as appropriate.

(b) The Office may reduce the required security at any time on its own initiative, or upon application of a self-insurer, when in the Office's opinion the facts warrant a reduction. A self-insurer seeking a reduction must furnish any information the Office requests regarding its current affairs, the nature and hazard of the work of its employees, the amount of its payroll for employees engaged in maritime employment within the purview of the Act, its financial condition, its accident experience, a record of compensation payments it has made, and any other evidence the Branch considers necessary.
