INTRODUCTION

This work of notices is for any of we people seeking to live our life of fun and adventure with out the insult of bothers exacted upon us by those who have assumed authority

Our present authoritarian system was born out of the actions of warlords and barbarians evolved to the dominion of kings and empire and then to government. All along the way have been self-interested beings using powerful though spiritually immature intellect to secure for themselves positions of privilege and access to great wealth, greedily disregarding the other beings with which they share this reality. These beings have and do operate from a material consciousness, a lower octave of being human to those of spiritual consciousness.

So if you feel, think or know that your life and its unfolding would be better served by being the sovereign authority in all matters concerning your existence, if you feel, think or know that your life and its unfolding is being unnecessarily taxed and directed by fellow beings who have self interest and disrespect at the core of their motivation, if you feel think or know we are being oppressed by systems that are set up to allow enormous reward for non productive contribution, where beings believe that those who are investing their sweat and muscle to this three dimensional reality are contributing less value than bureaucrats or shiny bottoms that play with endless piles of paper.

Then
This notion, this notice is for you

It is with the greatest respect and love I issue forth the following set of notices as a template for all living souls declaring myself

Sovereign-Living-Soul

www.limitlesssmile.com
Free-man-on-the-land.

I always have been and I always will be free.

I am a Sovereign Living Soul personifying Spirit through my human form.

Although the Bible and other books of religion mean nothing to me, I do swear oath to the notion that all that is and all that may be conceived, perceived, believed, experienced and imagined is All

Therefore, we, each and every one of us are single cells of All experiencing the universe

and

each of our unique and individual life adventures

is the ever growing, ever expanding, ever evolving, ever changing experience of the living All

Whereas I understand that to know in my own direct experience of Spirit, it is my duty to extend beyond mere intellectual phantasmagoria and invoke, provoke and inspire to do things that test my reality, my spirit and the truths we all live by.

All life is but a big game, it has many actors and many Acts, the Acts presented by a society are the rules of the game they play together. Those who choose to not play, those who choose not to be a member of the game exist freely, in the principle of sovereign presence.

There is a fundamental law or principle of Mathematics, but none of error; there is a principle of health, but none of disease; there is a principle of truth, but none of dishonesty; there is a principle of light, but none of darkness, there is a principle of abundance, but none of poverty; there is a principle of sovereignty, but none of slavery, and there is a principle of meek but none of greedy self interest.

www.limitlesssmile.com
There is a gathering of mankind in our present western civilized shared world which acts as the principal whom creates and installs the acts by which persons perform life, the Acts of parliament.

Do we see displayed in all these acts the evidence of truth, the clarity of light, a mathematical formula for abundance of health and the common good of all?

When something is spelled out in truth it is clear, concise, complete, unequivocal and understandable by a child.

It is self evident that the Acts which form the boundaries within which we all must live and perform are convoluted, deceptive, and are interpreted by an elite few for great profit. We have an elite few controlling the destiny of us all, and imposing their notions upon us.

There are many conflicting definitions of how our organ of justice operates in its mechanical interaction with living souls and persons.

There are those who would profess that we live under a jurisdiction that draws its substance from the common law evolved and inherited from the peoples of Britain codified in such instruments as the Magna Carta 1215, the King James Bible 1611, the Habeas Corpus Act 1679, the English Bill of Rights 1688, the Coronation Oaths Act, and the Constitution of the Commonwealth of Australia where we as living souls are deemed innocent until proven guilty, where we are as a community deemed to have substance and may exchange freely our substance, or if necessary weigh our conflict of substance before all in the form of judge and a jury of 12 of our peers.

There are those who would profess that we live under a jurisdiction that draws its substance from the laws of equity, whereby our organ of justice has been commanded by a private organization or corporation and in the attitude of creditor or secured party deems persons chattel debtors holding and negotiating bills of no substance and are deemed guilty until proven innocent. Where our organ of justice is in attitude of

www.limitlesssmile.com
subservience to a secured party, and on its behalf operates the courts as a debtors commerce court in favor of the secured party.

The present administration of our organ of justice operates the workings of law in a deceptive and unnecessarily complicated labyrinth of copy written statutes and precedents that may be interpreted only by the elite doctrine conveyors, the well paid minions.

There is no evidence to indicate that the organ of government and justice is administered to support the common good of all.

In cosmic law without contraries there can be no progression.

The present dominating attitude of self interest and greed expressed by humanities organs of government justice and corporation is hallmark of a collective process of reconciliation a spiritual I.Q test, an evolution and maturing of mankind- away from the limited potentials of living the paradigm of domination, control, separation, division, fight, struggle and war against the meek -to the common good of All.

The meek are those of our herd identified in the bible as the inheritors of the earth Dictionary defines meek as humble, patient, gentle, kind, soft and mild, and also in a negative it describes the meek as overly submissive, compliant, tame, spiritless, docile as under provocation from others.

The meek represent the principle of unity consciousness, an all inclusive unconditional nurture, selfishly selfless, enjoying in simplicity the unfolding, and responding with the cosmic power of allowance, while in patience and humility creating the intent the law of attraction will ultimately work upon. Acceptance has the meek seen as being compliant, tame, spiritless, and docile, but their core of patient, gentle kindness awaits the separated egos return from adventures in separation, division, destruction war and obliteration to lend its great spirit to unity.

www.limitlesssmile.com
To ponder a perspective of the attitudes at play in our present society, we may observe ordinary mankind in material consciousness, when growing toward the good displays a balanced benign ego personality of meek conforming, accepting and allowing; when man has fallen into delusion he displays the self interested greedy ego of domination and control; and cosmically evolving from this dance of opposites is spiritual mankind expressing attitude of soul centered ego expression, of love and sweetness.

**Casual glance indicates we are allowing our system to be controlled by the spiritually immature, those who take materiality seriously, seeking puerile need to possess and control in lieu of allow and love.**

*In simple terms we may define the reconciled as those who would seek to disassociate from one society and move to a new society, to move from the good for me to the good of all.*

*those whose spirit emanates love, change, freedom, eternity*

I accept that there will be many agents for the government concerned and suspicious of this simple soul-ution to the present ongoing governmental and judicial tyranny. In kind regard and compassion for those government agents still to awaken to their spirituality, I offer discussion and negotiation to understand this human process of diplomatic protest.

(pro-test=In favour of the proposition of a test of integrity and enlightenment.)

Myself and other sovereign individuals are to test the integrity of The Australian Government and other governments of the commonwealth, by choosing to remove our consent to be represented, and governed and therefore choose to operate as foreign sovereigns with diplomatic immunity to this deceptive system of governance, justice and it's society.

My intent is to provoke invoke and inspire notions which will imbibe an optimistically freer

www.limitlesssmile.com
and more just society

My intent is to promote a society enthusiastically excited by the challenge to claim openly, clearly and unequivocally a heartfelt dedication to the common good of all. A society which works to ensure all authority is expressed lawfully, exercised with restraint, accountability, understanding and compassion.

A society with sovereign leadership which prides itself on clear public oath to the common good, guided by the continual input of community based integrity auditing. A society founded upon a Permaculture garden of decentralized goodness sharing communities.

I choose to live in peace within current communities who's members pledge membership to a society governed by the present Law society and its hidden masters.

Law society membership has made oath to a foreign sovereign (the Queen) and hence relinquished all and any authority over any sovereign individual free-man-on-the-land

I am neither a person nor a citizen, I am a living soul personifying spirit through human form. I am a spiritual being and reserve my god given right to enjoy spiritual, intellectual and physical freedom now and evermore in all dimensions.

I have lived with honour in my life, having paid my way honestly always, I have contributed my effort and sweat equity openly and generously into my family, my tribe and my community. I have paid all taxes, fines, fees, licenses, interest and various other extortions in good faith. I have operated with absolute honesty always, to the experimenting point of being penalized for my honesty on many occasions.

I have an honest nature, and feel naturally compelled to use utter truth to my best ability and advantage, I support the notion that to knowingly tell a lie is actually harmful physically, psychically and spiritually, as it is destructive to the neuro-net in my brain and has a viral effect upon my mind like a virus in a computer.

I choose to live mindfully of the ever growing and evolving secular ethic of my being a www.limitlesssmile.com
living soul sharing a brief stay upon our beautiful planet with many other living souls, trusting we all together are seeking to enjoy our life to find peace, abundance, love, and conscious knowing of enlightenment and immortality.

Our present governing system is deceptive and run to benefit many self interested greedy spiritually immature beings, it is not run for the common good of all, it has deceptively played us as fools and with treason (selling us out to the bankers) has allowed theft and extortion of our life force.

I grew up in the gentle nurture of women, they had the most loving heartfelt respect for our authorities, and taught me our Queen was the personification of goodness itself. I have come to learn that their and my own innocent and genuine love and humble respect was and continues to be betrayed by the attitudes of those that govern and judge us all.

There is some thing wrong with the way our world is being run and has been run.

Observation of and listening to aboriginal Elders has provided epiphany and revelation to simple truths, invisible to minion servants of the "system".

Much information and dedicated dissemination on the Internet reveals the degree and extent of deception, fraud and theft by corporations and corporate governments and justice systems that are industries for great profit, power and privilege for the few. This justice proportional to wealth system operates for the benefit of the wealthy while deceptively exercising a tyranny over us all.

If it is we truly live in a free and democratic society then I am free to leave.

No more do I submit application nor register. No more do I surrender my will and beg to another to hold any form of force over my life, my family, my tribe, or my property.

We all have equal sovereignty as appearers in reality.

www.limitlesssmile.com
We all are equal before the law
We all are unique and individual expressions of a greater whole

The law society is the maker and administrator of statutory regulations and by-law and this society’s behaviour is testimony to and revelation of its motivation, its intent and agenda. It exists in a labyrinth of contradictions and paradoxs, consisting as a body of beings interested in generating wealth for themselves first. If our collective organ of justice was operating in truth it would be a community based home vibed venue providing free access to common sense, good conscience, wise counsel, life direction guidance or rehabilitation, run and operated by community elders.

It is my understanding that only members of the Law Society may use the courts for financial benifet, gain or reward and it is only Law Society members who may act for others in the courts, and people who are not members of the law society do not enjoy full access to the courts. These public places have business hours and are run as business for the profit of members of the law society.

This operation and society is founded on self interest and greed and is conducted by the spiritually immature.

As a sovereign living soul it is my duty to promote, provoke, invoke, inspire and demonstrate a freer and more just society for all cells of our collective body of humanity. As one cell of our organism my humble use of the following notice is to declare my love for the wholeness that we all are. It is my will to bring vital health to the presently affected organs of humanity, its lungs- the judiciary, its heart- government, its immune system- the Peace Force- police and military.

It is my will to share at all times peaceful, optimistic, compassionate, truthful, loving notions for ponder, and encourage all to live our most magnificent potential of goodness.

I use this notice to bring to the attention of all human beings of goodness to raise above the complicated rigmarole of organized religions, the corruption of our organs of government and justice and the cancerous greed of corporations and their paradigm of goodness.
separation, division, fight, struggle and war.

I use this notice to re-instate into humanity our true god nature of utter goodness.

*Insight from the work of Menard* [www.thinkfree.ca](http://www.thinkfree.ca) *has us knowing we may establish for ourselves claim of right, so we may live righteously and peacefully together immune to unnecessary burdens of corporate greed.*

The following notice is used with compassion and consideration for the challenges to thought and feeling that will be experienced by many government agents and officers while now living through our collective enlightening experience of the global transformation of the collective consciousness of humanity.

I forgive all those minion governmental agents and officers whom over my life have given me cause to find our living system repugnant and not operating for the common good of all. It is not their fault, they know not what they do, they are simply in their present hypnotic sleep state transmitting and installing the attitudes and policy of their chosen masters.

**PLEASE TAKE NOTE**

As a sovereign living soul, free-man-on-the-land I claim sovereign right to choose what groups or societies I may or may not join.

As a freeman-on-the-land I am not a member of the Law society, neither do I apply to be member, nor do I accept obligation to be member, and as such I am beyond the jurisdiction of all and any statutes and by-laws, government regulations and permits, as they are copy written material for which I have no license.

As a Free-man-on-the-land I claim the right to disassociate myself from a society that does not unreservedly support the common good of all.

As a Free-man-on-the-land I claim the right to disassociate myself from a society whose government and judiciary does not answer clearly, completely, articulately, openly,

[www.limitlesssmile.com](http://www.limitlesssmile.com)
honestly, and publicly questions of Integrity Audit.

As a Sovereign I claim the right to disassociate myself from a society whose government and judiciary removes deceptively many civil liberties, and where it is not clear what rights and freedoms I must give up to remain a member.

As a sovereign living soul I live and love in peace with all.

Conflict and dispute is avoidable, unnecessary and undesirable and when it arises is to be dealt with using discussion, negotiation and then if necessary, a adjudication in a court of competent jurisdiction. If dispute arises in regard to this notice it is to be discussed and negotiated in televised public forum.

It is by example I lead a way to join and support a society of the

free-man-on-the-land.

Sovereign living souls participating in pursuing notion of decentralized goodness sharing.

The present paradigm of empire and centralization of power serves only the greedy and psychotic and their need to extort life force in the form of money for those who choose to live in the limits of the separated ego

PLEASE TAKE NOTE

Until there is evidence of spiritual maturity in the beings in leadership of humanities corporate vessels I choose for my own self protection to remain a foreign sovereign with full diplomatic immunity

Humanity is awakening to a new authority

Our sovereignty as individual, tribe and community is the awakening global authority

www.limitlesssmile.com
The evidence of spiritual maturity I will be looking for so I may see when it is time to re-enter society

It is duty of the corporations to begin immediately to collaborate all the armies and police forces of our world and invoke utter goodness upon the entire force of our collective organ of immune system.

We command the entire force to perform the most profound acts of Creation to establish the entire world as a permaculture garden of peace for all humanity

Our most capable, strong, focused and talented fellow cells united in martial precision leading, teaching enlightening and transforming the world.

Begin immediately in Iraq apologie for what has thus far been done, and to establish access to safe, free, food, shelter and water for all.

This is all we as sovereigns ask of our governments, and it may happen in a moment. When our collective voice is loud enough to hear, our very own flesh and blood will throw down the arms and weapons of mass destruction of the deceiving, hate creating masters and exchange them for tools of laughing joy and wonder as we collectively try something different.

We have no need to fight or abandon the system, simply rejoice as we transform it.

Whereas I understand Australia is a common law jurisdiction, and,

I understand the law belongs to the notion of divine abstractions, where things have no contraries, absolutes such as love, essences, humanity, archetypes, aesthetics, algorithms, certainties, ethics, experiences, ideals, logic, mathematics, and proofs, and

I understand that the hierarchy of law is God sovereign over gods creation man, and man sovereign over mans creation government, and government sovereign over governments creation the corporation/person, and,

I understand that sovereignty exists with the people and until we all begin to wear our

personal functional sovereignty, and encourage the same in each other, we will become unnecessarily the oppressed slaves of the spiritually immature who presently hold the reigns of power and decision that affect us all, and

I understand that the organs of government and justice are an extension of mans divinity and hence a creation of man and are subservient to man, and,

I understand that when either government or justice does not unreservedly serve man freely it is in service to self interest and greed, and,

I understand that the role of the judicial process is the resolution of conflicts and the role of the courts is to deal with injustice once it has already occurred, and,

I understand that in honour of life, love and law I seek neither dispute or conflict, I require not courts nor lawyers, and,

I understand I may make this claim of right and live righteously, and,

I understand a statute is defined as a legislated rule of society which has been given the force of law, and,

I understand citizens subservient to an administration is but one option in this reality, and,

I understand the distinction between law and executive administration and prerogative decree. A failure to maintain the formal differences between these things must lead to a conception of law as nothing more than authorization for force by intimidation, rather than the guarantee of freedom equally to all, and,

I understand those who have a tax file number are in fact employees of the Australian Federal Government and thus are bound by the statutes created by the federal government, and,

I understand that it is lawful to abandon one’s tax file number, customer reference number, drivers license number and to declare disassociation to the ‘person’ registered on a birth certificate and electoral roll, and,

I understand that registration is the act of leaving in care to authority a vessel until sovereign authority (the captain, the capitol, the wealth the worth the value) takes re-possession, and,

I understand a by-law is defined as a rule of a corporation, and,

I understand corporations are legal fictions and require contracts in order to claim authority or control over other parties, and,

I understand legal fictions lack a soul and cannot exert any control over those who are thus blessed and operate with respect to that knowledge as only a fool would allow soulless fictions to dictate ones actions, and,
